

# Alex and the Amazing Lemonade Stand

## Discussion Questions (Kindergarten – 2nd Grade)

A note to teachers: “Alex and the Amazing Lemonade Stand” is based on the true story of Alexandra “Alex” Scott, who set out to raise money toward finding a cure for all kids who had cancer like she did. At age 4, she hosted her first lemonade stand in her front yard. Her efforts of holding a lemonade stand inspired others to do the same. This led to \$1 million being raised by the time she passed away at the age of 8. Since that time, Alex’s Lemonade Stand Foundation has continued to support Alex’s dream of raising money to find a cure for all childhood cancers.
